Designing Cities For All

An immersive 9-day Urban Multi-disciplinary Executive Program

DATE: 9th - 17th NOVEMBER 2024

VENUE: ALEMBIC CITY, BENGALURU, INDIA

A multi-disciplinary program conducted by experts from various countries, will explain how thinking simultaneously on issues of housing & urban planning, landscape and infrastructure can lead to equitable cities for all.

The course is specially crafted for mid to senior level professionals from public and private sector – government, developers, architects, urban designers, financiers, consultants and academicians who together constitute the symbiotic ecosystem for designing inclusive and climate resilient cities.

The program offers a mix of world-class scholarship from IHS and global professional expertise from MLC; with both aspects being contextualised to Indian cities. Each day will consist of thematic discussions, lectures, design exercises and end-of-day talks and fireside chats by industry experts..

The course will cover these broad themes:

- ≈ WHAT MAKES A CITY INCLUSIVE ?
- ≈ AFFORDABLE HOUSING AND SUSTAINABILITY
- ≈ PUBLIC HEALTH : HEALTHY CITIES AND HEALTHY CITIZENS
- ≈ PLANETARY HEALTH : DEALING WITH CLIMATE CHANGE
- ≈ LANDSCAPE & ECOLOGY AND NATURE-CULTURE ISSUES
- ≈ URBAN GOVERNANCE & MOBILITY
- ≈ CULTURE OF CITIES : PUBLIC SPACES
- ≈ DESIGNING LARGE MULTI-DISCIPLINARY PROJECTS
